

GUARANTEE

We undertake to replace, free of charge, all parts which may prove to be defective through faulty material or workmanship, provided they are sent to our Works "CARRIAGE PAID" within 12 months of the date of supply, and the failure is found to be due to either of these causes.

This guarantee excludes defects due to ordinary wear and tear, misuse or negligence, nor does it apply in the case of personal injuries or consequential or resulting liability, damage, or loss arising from any defects. This guarantee is given in lieu of any guarantee implied by statute or otherwise.

SPARE PARTS. Wearing parts for Ransomes Mowers can always be obtained promptly.

The manufacturers reserve the right to alter prices or minor details of specification without notice.

Lawn Mowers

FOR MORE THAN A CENTURY

the quality of Ransomes Mowers has been a by-word. There seems to be a general tendency to under-estimate quality. When quality no longer exists cheapness is illusory, it lowers efficiency and puts up costs; it causes waste and unwarranted expense. Ransomes never have had anything to do with cheapness of this sort, but within the sounder economical interpretation of the word their products are cheap—cheap because they can be relied upon to fulfil their purpose always, and cheap because they possess endurance to a rare degree. Ransomes Lawn Mowers can be relied upon to stand up to the hardest work and to give long and satisfactory service, thus proving themselves a sound economic proposition.
